- Notes:
- In Tennessee, it is a requirement per "The Underground Utility Damage Prevention Act" that anyone who engages in excavation must notify all known underground utility owners, no less than three nor more than ten working days of their intent to excavate. A list of these utilities may be obtained from the county register of deeds. Those utilities that participate in the Tennessee One-Call System can be notified by calling toll free 1-800-351-1111.
 - Underground utilities shown were located using available aboveground evidence, and also from information obtained from the respective utility companies. The existence or non-existence of the utilities shown and any other utilities which may be present on this site or adjacent sites should be confirmed with the utility owner prior to commencing any work.
 - Parcels may be subject to additional easements, and/or restrictions, by record or prescription, that a complete title search may reveal.
 - Property owners association will maintain landscaping in median & detention areas & ingress/egress easement and traffic circle.
 - Sidewalks will be installed on Ken Pilkerton Drive.
 - The recording of this plat voids, vacates, and supersedes the previous recording of Lot 6 Smyrna Commons as recorded in Plat Book 34, Page 211 and in Plat Book 37, Page 006.
